

Quarterly Update – 30 September 2008

SEPTEMBER 2008 DISTRIBUTION

- A cash distribution of 2.675 cents per unit (“cpu”) has been paid by the Fund for the quarter ended 30 September 2008.
- This quarterly cash distribution is equivalent to annualised cash distributions totalling 10.70 cpu, which are forecast for the full year to 30 June 2009.
- The annualised cash distribution forecast of 10.70 cpu represents a 2.9% increase on cash distributions of 10.40 cpu paid in the previous year.
- The next distribution will be for the quarter ended 31 December 2008, payable in January 2009.
- Enclosed is your distribution payment advice statement for the quarter.
- Distributions for the year to 30 June 2009 are forecast to be 100% tax deferred.

DEBT MANAGEMENT

As outlined in the Fund’s Annual Financial Report and previous Quarterly Updates, the debt management policy for the Fund is considered by the Responsible Entity to be conservative and one which provides stability for investors in light of the recent dramatic events and volatility in the global financial markets and property sector generally. The Directors of the Responsible Entity confirm that the Fund has no debt facilities which require renegotiation in the near term and other key points to note are:

- The term debt facility has a maturity date in April 2011;
- Interest expense on 100% of the debt drawn under this facility is fixed until the maturity date; and
- The loan to value ratio of the facility is 49.0% as at 30 June 2008.
